

# USAID | INDONESIA

FROM THE AMERICAN PEOPLE

U.S. Agency for International Development (USAID), American Embassy is recruiting Indonesian Nationals only for a **Development Program Specialist (Senior Anti Corruption)** position (**Post Code: DPS-AC**); Salary range between Rp.17 – 36 million per month depending on qualifications, experience and salary history.

**Scope of Work:** The incumbent will provide expert advice on all aspects of the Threshold Program (TP) Office's anti-corruption activities which focus on institutional capacity building for those institutions charged with combating corruption, including the court system, the Corruption Eradication Commission (KPK), the Indonesian Financial Transaction Reports and Analysis Center (PPATK), and others. S/he will also be responsible for managing e-procurement activities identified as part of the Government of Indonesia's efforts on combating opportunities for public sector corruption. S/he will collaborate with the TP Team, the Millennium Challenge Corporation, other Mission and US Embassy Offices as well as a broad range of public and private counterparts to carry out analysis, activity implementation, advisory services, and monitoring of activities and strategic objectives.

**Qualifications:** At least a Bachelor Degree is required. Advanced degree in law, social sciences, humanities or other relevant field is desirable. A background with USAID or a similar development institution is of paramount importance.

S/he must have at least 10 years of professional experience, with a minimum of five years in related development work with a USG agency or other international donor organization, host-government organizations, or private sector institutions. An understanding of the public policy process, either through private sector or public sector experience, will be highly valuable. Knowledge of Indonesia's anti-corruption related institutions and plans is highly desirable. Excellent English language writing and speaking skills required.
